

Food Processing MACHINERY

ABOUT US

Appreciated, reputed, and recognized for manufacturing and supplying a wide range of the premium quality of fully automatic domestic flourmill, commercial flourmill, pulverizer, and food processing machineries, an ISO 9001:2015 certified Patel Manufactures was set up in the year 1995 at Rajkot district of Gujarat. The product range offered by us is inclusive of domestic flourmill, commercial flourmill, pulverizers, and food processing machinery. By using cutting-edge machinery and superior grade materials, our engineers and support staff manufacture the offered machines in compliance with the industry and laid norms. Automatic & food processing industries are some of the sectors the offered electric motors find wide applications.

Due to our range production capacity, we have been able to manufacture the offered automatic machines in bulk quantities. For the ease of our valuable customers, the offered automatic machines are delivered within the assured time frame at their end. Total quality management at different stages of production ensures that the premium quality of the offered range is never compromised.

We were established as proprietor and are currently operated under the supervision of our **Managing Director, Mr. Mansukh Korat**. He has helped us in catering to a huge clientele across the nation, owing to their years of experience and profound knowledge of the industry.

OUR MISSION

To provide good health and affordable kitchen appliances to every family with innovation, quality and services.

OUR VISION

To become India's preferred kitchen appliances supply chain applying service quality and innovation to create sustainable growth business and society.

DIRECTOR MESSAGE

"A journey of a thousand miles begins with a single step."

What started as a small 100 sq. ft. manufacturing unit has today grown into **Jagruti Appliances, operating from a modern 35,000 sq. ft.** manufacturing facility and serving customers across India. While we are proud of how far we have come, we believe there are many more milestones to achieve.

Over the years, we have continuously expanded our capabilities while remaining committed to innovation, quality, and customer satisfaction. These values have been the foundation of our growth and the trust we have earned from our customers.

I sincerely thank our customers, partners, and employees for their continued trust and support. Together, we look forward to achieving many more milestones.

**"Quality is the best
business plan we execute"**

Mr. Mansukh Patel
Director & Founder,
Patel Manufactures.
